Dr. Tay Tunn Ren is a consultant in the Department of Respiratory & Critical Care Medicine at Changi General Hospital (CGH). She received her medical degree from the National University of Singapore (NUS) in 2006 and completed her specialist training in respiratory medicine and intensive care medicine in 2013 and 2015 respectively. Dr Tay has an interest in asthma and runs the difficult asthma clinic in CGH.

Dr. Lim Ing Ruen is a consultant ENT surgeon in Mount Elizabeth Medical Centre in Singapore. She underwent fellowship training at the Hospital of University of Pennsylvania in 2003 in the field of rhinology and advanced sinus surgery. She has held positions on the Operating Room Committee and the Transplant Committee and is currently a member of the Medical Board.

Dr. Hiroshi Chantaphakul, a chief of the Allergy and Clinical Immunology Division at Department of Medicine, Faculty of Medicine, Chulalongkorn University. He completed his residency and fellowship training in the US. He is certified as a Diplomate of the American Board of Internal Medicine, Allergy Immunology and Rheumatology. He trained under William W Busse, MD, James E Gern, MD, Robert F Lemaske, Jr, MD and Robert K Bush, MD who are well-known for allergy asthma knowledges and their guidelines have been using worldwide.
