8&9 DEC 2018, SAT&SUN KAKK ANNUAL CAMP

@ River Lodge, Radiant Retreats, Janda Baik

Kids who have asthma should have a chance to play outdoors and be active just like a regular child. With well-controlled asthma, this is possible!

KAKK's annual camps aim to help your asthmatic child learn and understand what it takes to care for their condition.

Join us for some fresh air, asthma education, and some good old fashioned outdoor fun! Transportation is provided from Pusat Perubatan Universiti Malaya!
