Prof. Dr. Kai-Michael Beeh

Founder and the Director of the Pneumology Department at the Institute of Respiratory Research (INSAF)

Prof. Dr. Kai-Michael Beeh is the Founder and the Director of the Pneumology Department at the Institute of Respiratory Research (INSAF). He is also an Adjunct Professor of Medicine at Johannes Gutenberg-Universität Mainz. He is a member of the Association of German Allergists (AeDA), the German Respiratory Society (DGP) and the European Respiratory Society (ERS). Dr. Beeh is an Editor-in-Chief of Pulmonary Therapy. Furthermore, he is a reviewer for several journals including the New England Journal of Medicine, the Lancet, the American Journal of Respiratory and Critical Care Medicine and the European Respiratory Journal. Prof. Dr. Beeh's research interests focus on the pharmacotherapy of inflammatory airway diseases and treatment of chronic obstructive pulmonary disease.

Prof. Dr. Richard Li-Cher Loh

Professor of Medicine, Department of Medicine, RCSI & UCD Malaysia Campus, Penang

Professor Richard Loh has recently retired from full time academic position in RCSI & UCD Malaysia Campus. He was the Vice-Dean for Research and Professor of Medicine and Head, Department of Medicine in RCSI & UCD Malaysia Campus in Penang, and earlier was Professor and Head of Medicine Department in International Medical University (IMU), Malaysia. Currently, he works part-time in RCSI & UCD Malaysia Campus and is also Adjunct Professor of Post-graduate Studies and Research in IMU, where he teaches and continues his research on Asian COPD heterogeneity. He is a practicing Chest physician and works part-time in Loh Guan Lye Specialist Centre, Penang.

Dr Umadevi A Muthukumar

Consultant Respiratory Physician, Hospital Pulau Pinang

Dr. Umadevi graduated from University of Malaya in 1994. She completed Respiratory Training at the Institute of Respiratory Medicine Malaysia and Sir Charles Gairdner Hospital, Perth, Australia in 2008. She's currently working as a Consultant in Respiratory and Internal Medicine at Penang General Hospital. She is also a lecturer at Penang Medical College. Dr Umadevi has been appointed as the National Respiratory Subspecialty Evaluation Committee member and Chair of the National Respiratory Subspecialty Exam Committee. She's interested in airways diseases, sleep disorders and lung cancer. Dr. Umadevi is active in clinical research and has been involved as a Principal and co-investigator for many international studies on asthma and COPD.
