SPEAKER

OUTLINE

This is the fourth of a regular series of Grand Rounds in 2024 where 3 cases will be presented on clinical problems in Respiratory & Critical Care Medicine. The emphasis is on teaching points which we hope the audience will find educational and useful. This Grand Round will cover Clinical Teaching Cases in Resp Medicine from the Asia Pacific.

FORMAT

1. Welcome and Introduction
2. Presentation
Three 15-minute presentations, each followed by 4-minute Q&A
3. Closing Remarks

This program is recognised as an accredited CME activity in Bangladesh, Hong Kong, Indonesia, Malaysia, Mongolia, the Philippines, Singapore, Sri Lanka and Taiwan.
