

## **EVENT REPORT**

### **2<sup>nd</sup> Asthma COPD Webinar Masterclass 2026**

Date: 10<sup>th</sup> and 11<sup>th</sup> April 2026

Platform: Zoom Online

Organized by: Persatuan Kesihatan Paru Paru (PPKP)

Endorsement:

- 1) Malaysian Thoracic Society (MTS)
- 2) Malaysian Association for Bronchology and Interventional Pulmonology (MABIP)

### **Introduction**

The **2<sup>nd</sup> Asthma & COPD Webinar Masterclass 2026** was successfully held, continuing our commitment to advancing respiratory education among healthcare professionals. The webinar aimed to enhance participants' understanding of asthma and COPD management, focusing on practical, evidence-based approaches aligned with current international and local guidelines.

### **Objectives:**

The objectives of the webinar were to:

- Strengthen knowledge on diagnosis and management of asthma and COPD
- Update participants on recent advances and guideline-based practices
- Improve clinical decision-making through case-based discussions

### **Organizing Committee**

Advisor: Dr Aisya Natasya Musa

Organizing Chairperson: Dr Syahrinnaquiah Samsuddin

Secretary:

1. Dr Am Basheeri Alia
2. Dr Wong Yen Shen

Treasurer: Abdul Wafi Bin Zakaria

AJK:

1. Prod Dr Ahmad Izuanuddin Ismail
2. Dr Affida Binti Ahmad
3. Dr Mohd Zhafran bin Zainal Abidin
4. Dr Tasnim Binti Abd Aziz
5. Dr Mohd Arif bin Mohd Zim
6. Siti Noor Aishah Binti Zahari
7. Nur Atifah Binti Zakaria
8. Mohd Anas Farhan Bin Halim
9. Nurul Nabila Binti Arif
10. Hilmi Bin Abdullah
11. Muhammad Hazreeq Irfan Bin Mohd Hazrol
12. Simaa Rashidah Binti Sulaiman
13. Azimah Binti Abdul Aziz
14. Mohd Nazeri Bin Kamarudin

## **Programme Overview**

The 2-day webinar featured a series of expert-led lectures and interactive sessions, covering key topics such as:

- Diagnostic challenges in asthma and COPD
- Advances in pharmacological management
- Role of alternative diagnostic tools (e.g., FeNO, IOS, PEFr)
- Case-based discussions and real-world scenarios
- Practical approaches to inhaler therapy and patient adherence

The sessions were delivered by experienced respiratory physicians and specialists, ensuring a high level of academic and clinical relevance.

## **Participation**

Total Participants: 193 participants

- 62% Medical Officers
- 19.8% Specialist
- 9.9% Postgraduate Students
- 4.1% Pharmacist
- 1.7% Allied Health Provider

Total Speakers: 15

## **Feedback and Outcomes**

Participant feedback was overwhelmingly positive, highlighting:

- High-quality and relevant content
- Practical applicability in daily clinical practice
- Engaging and interactive delivery by speakers

Many participants expressed appreciation for the case-based approach and requested continuation of similar masterclasses in the future.

## **Conclusion**

The **2nd Asthma & COPD Webinar Masterclass 2026** was a successful educational event that achieved its intended objectives. The collaboration with Malaysian Thoracic Society and Malaysian Association of Bronchology and Interventional Pulmonology significantly enhanced the credibility and outreach of the programme.

We look forward to continued collaboration and future educational initiatives to further strengthen respiratory care in Malaysia.
