## **Welcome Address by Organizing Chairperson Lung Cancer Symposium 2025**

On behalf of the Organising Committee, it is my pleasure to welcome you to the third edition of Lung Cancer Symposium (LCS 2025). This scientific meeting is organised by the Malaysian Oncological Society in collaboration with the Malaysian Thoracic Society, Lung Cancer Network of Malaysia and the Malaysian Association for Thoracic and Cardiovascular Surgery.

The aim of this meeting is to gather all the healthcare professionals involved in the management of a patients with lung cancer; creating an open forum to better understand and improve multi-disciplinary management. It is also our hope to gather consensus on how to adopt and implement international guidelines within the confines of our current medical climate in Malaysia. We are also truly thrilled to have the involvement of our industry partners to further strengthen the learning outcomes in this symposium.
