**1. COPD Screening Event Sponsored by MTS**

Date: 3<sup>rd</sup> May 2026

Venue: 15 Clarke Street (Jalan Sultan Abdul Jalil, 30450 Ipoh).

Talk: COPD. Early Detection. Breathing Better.

Speakers: Mr Marcus Choong and Mr Clement Fong (Final year UTAR medical students).

Q&A: Dr Leong Oon Keong

COPD screening: UTAR medical students using COPD 6 given by MTS.

There was only a lukewarm public attendance, but we had a very meaningful COPD screening session and topic discussion. The UTAR students gave a very good presentation and conducted the COPD screening well.

Thank you.

Regards,
