FOR REGISTRATION

## KEY INSIGHTS

- Improving the knowledge of various diagnosis of pulmonary diseases.
- Improving recognition of radiology pattern of various thoracic diseases.
- Bridging Multidisciplinary and Multi-Institution.
- Cloud-Based Image Sharing.
- Artificial Intelligence in Radiological Imaging.

Supported by:

MALAYSIAN  
THORACIC  
SOCIETY

COLLEGE OF  
RADIOLOGY  
Academy of Medicine of Malaysia

7:45 am **Registration for Hands-On Workshop & Breakfast**

8:00 am **Registration for Symposium & Breakfast**

## Hands-On Workshop

### Facilitator

Dr. Wan Airene Wan Ahmad  
Thoracic Radiology & Lecturer  
Hospital Universiti Sains Malaysia, Kelantan

### Seminar Room 1

8:00 am **CXR for Radiology**  
Dr. Chai Jan Jan  
Clinical Radiologist  
Hospital Sungai Buloh, Selangor

### Seminar Room 2

**HRCT Thorax for Radiologists**  
Dr. Roqiah Fatmawati Abdul Kadir  
Clinical Radiologist  
Hospital Al-Sultan Abdullah, UiTM Puncak Alam, Selangor

8:30 am **Non-Radiology MO**  
Dr. Noor Emillia Binti Illa  
Thoracic Radiologist  
Hospital Tengku Ampuan Rahimah, Klang

**Radiology MO**  
Dr. Siti Rohani Binti Mohd Yakop  
Thoracic Radiologist  
Hospital Kuala Lumpur

9:00 am **Welcome & Opening Speech**  
Dr. Kamal Amzan  
CEO, Gleneagles Hospital Johor & Regional CEO (Southern & Eastern), IHH MY

9:10 am **Welcome Speech**  
Datuk Dr. Mohan Kandasamy  
Chairman, Malaysian Medical Association Johor Branch (MMA)

9:15 am **Welcome By**  
Dr. Aida Abdul Aziz  
Symposium Director

9:20 am **Speech By**  
Dr. Md Yuzairif Md Yusof  
Consultant Neurointerventional Radiology  
Gleneagles Hospital Johor

9:30 am **Keynote Speaker**  
**Evolution of Thoracic Imaging Role In Surgical Landscape**  
Assoc. Prof. Dr. Adli Azam Bin Mohammad Razi  
Consultant Cardiothoracic Surgery  
Gleneagles Hospital Johor

10:00 am **Tea-Break**

## Lung Cancer

### Moderator

Assoc. Prof. Dr. Adli Azam Bin Mohammad Razi

10:30 am **AI In Lung Imaging**  
Annalise Ai

10:45 am **Lung Cancer Screening in Primary Care**  
Dr. Rohayah Binti Abdullah  
Head of FMS Johor

11:00 am **Surgical Management of Lung Cancer**  
Ms. Diong Nguk Chai  
Thoracic Surgeon  
Hospital Sultan Ismail, Johor Bahru

Supported by:

MALAYSIAN

SOCIETY

COLLEGE OF  
RADIOLOGY  
Society of Medicine of Malaysia

## Special Radiology Track

### Moderator

Dr. Wan Airene Wan Ahmad

11:15 am

### Radiology : Imaging in Lung Cancer

Dr. Muhammad Hanafiah Kream  
Thoracic Radiologist  
Sunway Hospital, Kuala Lumpur

11:45 am

### Multimodality Imaging Mediastinal Masses

Dr. Tan Pui Wen  
Clinical Radiology  
Hospital Kuala Lumpur

12:15 pm

### Imaging in Inhalational Lung Injury (EVALI/ Smoking Related Lung Injury)

Assoc. Prof. Dr. Bushra Johari  
Thoracic Radiologist & Lecturer  
UiTM Selangor

12:45 pm

### Lunch Talk by Boehringer Ingelheim

### Progressive Pulmonary Fibrosis : Understanding It's Many Forms and Challenges

Dr. Andrew Li Yunkai  
Head of Respiratory Service, Department of Medicine, Woodlands Health  
Visiting Consultant, National University Hospital & Ng Teng Fong General Hospital, Singapore

1:20 pm

### Lunch

## OCCUPATIONAL LUNG DISEASE

### Moderator

Dr. Hartini Baherin

2:15 pm

### OSH : Occupational Lung Disease in Malaysia

Dr. Nurazimah Binti Mohd Aris  
Occupational Health Doctor  
Pejabat Kesihatan Daerah Johor Bahru

2:30 pm

### Clinical Aspect Of Occupational Lung Disease

Dr. Lim Suat Yee  
Respiratory Physician  
Hospital Sultan Ismail, Johor Bahru

2:45 pm

### Imaging Of Occupational Lung Disease

Dr. Shobhana Sivandan  
Thoracic Radiologist  
Hospital Tuanku Ja'afar, Seremban

3:05 pm

### Discussion

### Moderator

Dr. Hartini Baherin  
Consultant Radiology  
Gleneagles Hospital Johor

## INTERSITIAL LUNG DISEASE

### Moderator

Dr. Aida Abdul Aziz

3:20 pm

### Current Updates In Interstitial Lung Disease In Malaysia

Dr. Syazatul Syakirin Sirol Aflah (AMN)  
Consultant Respiratory Physician  
Institut Perubatan Respiratori (IPR), Kuala Lumpur
